

Govt. College of Teacher Education
Dharamshala, District Kangra, HP

Annual Report

2024-25

Introduction

Situated at the foothills of the majestic Dhauladhars, Government College of Teacher Education (GCTE) Dharamshala, a premiere educational institute of the region, was established in September, 1956 by the Government to meet the demand of trained teachers in the state and the region. Since its inception, the institution has been catering to the educational needs of Pre-service and In-service teachers of the state and adjoining states. It was upgraded from Government College of Education to Government College of Teacher Education by the Ministry of Human Resource Development, Government of India on 24th February, 1993.

The National Assessment and Accreditation Council (NAAC) has re-accredited this institution with 'B' Grade in the second cycle (May, 2015) with CGPA of 2.65. In 2023, the college was again recredited for the third cycle by NAAC and was awarded “B++” Grade. The college caters to Pre-service and In-service Teacher Trainings by conducting Induction Programmes, Teacher Training and Capacity Building Programmes, Seminars and Workshops for In-service Teachers and Heads of Educational Institutions of six districts (Chamba, Kangra, Hamirpur, Mandi, Kullu and Lahaul & Spiti) of H.P. Various committees and cells have been established in the college for addressing the needs of the learners viz. Internal Quality Assurance Cell, Grievance Redressal Cell, Women Grievance Redressal Cell, Career Counselling Guidance and Placement Cell etc. Extensive theoretical orientation supplemented with five months teaching practice/internship provides a healthy learning environment for a holistic and harmonious development of the prospective teachers. Government College of Teacher Education, Dharamshala is permanently affiliated to HP University, (HPU) Shimla recognised from National Council for Teacher Education (NCTE), New Delhi.

Teaching Learning

1. Mode of Teaching

The college employs various modern teaching methods to enhance students' engagement and learning outcomes including:

Blended Teaching: A combination of traditional and digital teaching approaches is implemented.

Flipped Classroom: Learners are introduced to content before class, promoting interactive sessions during contact hours. KIOSK in the college campus acts as an interactive information center promoting digital and online learning by providing access to digital resources, interactive learning and promoting self-paced learning.

Customized Teaching Approaches: Instruction is being provided as per the requirements of different groups of students.

2. Curriculum Planning & Implementation

The institution places significant emphasis on meticulous curriculum planning and timely implementation to ensure the smooth functioning of the academic calendar.

Teaching Schedule and Documentation

One of the fundamental aspects of the curriculum planning process is the preparation and dissemination of the Teaching Schedule. The college follows a structured teaching schedule that includes several essential components like Time Table, Orientation Programme, Seminars, Academic Activities, Co-curricular activities, House examination etc.

Learning Outcomes (LOs)

At Government College of Teacher Education, Dharamshala, the learning outcomes are clearly defined for each course and are in alignment with the prescribed syllabus by the university. The defined learning outcomes are also reflected in lesson planning, instructional design, classroom interaction, and evaluation methods.

Curriculum Enrichment Practices

To enhance the core curriculum and provide experiential learning opportunities, the college incorporates several curriculum enrichment practices. These initiatives go beyond textbook

learning and contribute to the holistic development of teacher trainees. Govt. College of Teacher Education, at its own level enriches the curriculum with the use of different practices e.g. projects, surveys, educational tours, community work in the surroundings to make the teaching learning process more effective. The key enrichment practices that were carried out during the year were:

| Sr. No. | Curriculum enrichment practices | Faculty involvement | Activities |
|---------|---------------------------------|---|--|
| 1. | Projects | All staff | Assignments |
| 2. | Surveys | SIP in collaboration with Pratham Education Foundation | CAMAL Summer camp During First phase of internship May 2025 |
| 3. | Educational tours | Prof. Babita Yuva Tourism Club/Mathematics Club | One Day trip to Pong Dam and Rock Cut Temple at Masruur on 23 march 2025 |
| | | Prof. Reeta, Prof. Atul Thakur, Prof. Reenu (Social Science club, Rover & Ranger Club, Red Ribbon Club) | One day Outreach Activity , Cleanliness Drive organised on 29 march 2025 At Guna Mata Temple (Naddi) |
| 4. | SIP (Community Work) | All SIP Members | 2 week Community Engagement work in their respective Lab schools |

Through these enrichment activities, the college fosters experiential, inquiry-based, and socially relevant learning. It provides teacher trainees with opportunities to apply knowledge in practical settings and promotes well-rounded professional growth.

Evaluation Criteria

B.Ed student-teachers are evaluated through Continuous Comprehensive Assessment (20%) and End-Semester Exams (80%) as per university norms. CCA Marks include Mid-Term Exams (15/7 marks) and attendance (5/3) for papers in 100/50 mark papers, respectively. Minimum 80% classroom attendance and 90% internship attendance is mandatory. Shortages are addressed through remedial classes in the campus or extended internship (Phase I and II) in lab schools.

Detail of House Examination

Internal Evaluation/Continuous Comprehensive Assessment is an integral component of B.Ed. Course. In theory Paper, 20% of the total marks are meant for Internal Assessment.

Mid Term Tests/Class Tests: Mid Term Tests are conducted by the Examination Committee after completion of nearly fifty percent of the syllabus in each semester. Class tests are taken by the teacher educators, evaluated, and appropriate immediate feedback is provided to the students for improving their performance.

Student, Support Services and Progression

1. Pre and post admission counselling

HPU conducted the B.Ed. Entrance exam for the session 2024-25 on 20th June 2024. After the declaration of result and the display of respective merit lists on the University Website and student login, the admission schedule was issued by the H.P. University. The process of admissions commenced from 12th August to 17th September 2024 comprising four rounds, inclusive of Sports and Cultural Quota seats and Mop-up Round. In total, 250 seats of Govt. College of Teacher Education, Dharamshala was filled through this process. After each round

of counselling, the candidates are required to visit the allotted college for document verification.

Govt. College of Teacher Education, Dharamshala had constituted Four committees viz. Arts/ Commerce, Non-Medical and Medical, and the final Admission Committee for pre admission guidance and counselling, document verification and final admission. During the process of pre-admission counselling, the students were guided about the various feasible combinations of Teaching Subjects available to each one of the students, which helped them to select appropriate teaching subjects as per their eligibility and interest.

The Induction cum Orientation program for the session 2024-25 was notified on 12th September 2024 via college notice board, College official Whatsapp group, college website and college official Facebook Page and held on 20th September 2024. During this Induction cum Orientation session, different staff members apprised the newly admitted students on various aspects and academic requirements viz. General code of conduct, CSCA constitution and its functions, different committees and labs, University and NCTE rules and regulations, Time table, Library and other facilities and amenities available in the college.

11. Students also suggested buying and issuing gardening equipment/tools to students in the beginning of the session.

Best Practices, Innovation and Institutional Distinctiveness

1. Best Practices of GCTE Dharamshala

Mentor Mentee groups

- a) At the commencement of the session, in semester I students are allotted four houses, each house having its own student nominated House Captain and vice-Captain (with equal representation of male and female). Each house has a team of 3-4 Teacher in-charges who look after the Psychosocial, Educational, Curricular needs of the students and coordination and organisation of various interhouse competitive and non-competitive activities during the session. In Second and Third Semesters, Teacher Educators who are associated with the School Internship Programme are allotted a group of 15 students, who are provided with all kinds of academic and other needs of the student-teachers of their respective groups.

Induction cum Orientation Programme

- a) At the commencement of the session, a detailed Orientation cum Induction session is organised to acquaint the students with the functioning of the college. The college also facilitates a tour of the campus subsequently, to apprise the students regarding the campus.
- b) The students are also apprised about the various major and minor papers, assignments, Educational Psychology Lab, Teaching Learning Material Production Labs, ICT Lab, Language Lab, Curriculum Lab, Curricular needs, Assessment procedures, Internal assessment components, Attendance Requirements, Teaching Learning Methodologies Adopted, School Internship Programme and general behaviour and conduct within the institution.
- c) Comprehensive and regular Feedback:
 - i) At the completion of each semester, intra college activity and completion of the course,
 - ii) Comprehensive feedback is collected from all the stakeholders regarding all the facilities of the college and suggestions for further improvement and uplifting of the services provided by the institution.
- d) Morning Assembly:
 - i) Since students of the college are being prepared for the services in the schools, Morning Assembly is regularly conducted in the college campus
 - ii) It is ensured that each student regularly takes part in all the activities from the stage to remove the stage fear
 - iii) In School Internship, the School Morning Assembly is conducted by the trainee students.
- e) Gender sensitisation:
 - i) GCTE promotes unbiased behaviour towards all the students and regularly conducts sensitisation and awareness programmes in collaboration with various NGOs and Government agencies via Lectures and other relevant programmes.
 - ii) The college girl's hostel encourages participation of women in matters of Hostel mess, administration and management,
 - iii) Women cell also actively functions in the college awarding all the students about gender equality, Personal and Menstrual Hygiene

2. Special New Innovative Initiatives or Ideas Adopted in the College

Preservation of nearby water resources

The GCTE Rover and Rangers unit volunteers take active part in the college activities management and have adopted a Bowali (Traditional Water Body) near college constructed in 1934 for its cleanliness and uptake.

Energy conservation

- a) The institution has an effective Energy Conservation, Renewable Energy Promotion Policy promoting use of solar energy for meeting its partial power requirements.
- b) The College and Girls Hostel has replaced all its bulbs and tube lights with LED bulbs and Tubes along with solar lamp posts in the campus and college Girls' hostel. A solar Water Heater is installed in the hostel to reduce power consumption.

Solid Waste Segregation/Management

- a) GCTE has an efficient system of waste collection and disposal and adoption of waste reduction by having an agreement with Municipal Corporation Dharamshala for daily Collection of Segregated Garbage from Campus and Hostel,
- b) Sewerage pipes linked to MC's Sewerage System.
- c) Dry leaves compost bins are installed in the campus the same manure from these bins is used for flower beds in the campus.
- d) Paperless e-dissemination of information amongst the students and staff.
- e) Selling of Scrap paper and junk to recycling units, regular Cleanliness drives in campus and vicinity are organised.
- f) Use of non-biodegradable disposable items is discouraged,
- g) Students and faculty are encouraged to use steel lunch boxes and water bottles as a step to reduce the use of plastic and to create a plastic free campus.
- h) The college has purchased a Shredding Machine to promote environmental sustainability through recycling and repurposing. All kinds of paper, that is of no use, is shredded in the Shredding Machine, which is utilised for DIY activities (compost pile, mulch for gardens etc.) and is also used during Competitive Examination (as packing material) conducted by HPPSC, UPSC, NTA and other agencies.

Rain Water Harvesting

- a) The college has a functional Rain Water Harvesting system in the college with 10 Thousand liters storage capacity, which is used to irrigate the flower beds.

4. Special Initiatives

a) Adoption of Nearby Schools

Three Government Schools are adopted by Govt. College of Teacher Education, namely:

- 1) Government Boys Senior Secondary School Dharamshala
- 2) Government Nursery Middle School
- 3) Government Senior Secondary School Sakoh

The college organised a 3 day awareness campaign in all these adopted schools on 5th, 6th and 7th of December 2024, where students of the schools were oriented about career opportunities, dangers in Cyber World and safety measures, on maintaining hygiene (girls) and Road Safety.

b) Library Facilities Through SOUL 3.0

Resource Information: Students can easily access information about the library's available resources via SOUL 3.0 on their mobile phones. This includes details about the location of required documents, helping them to efficiently locate and issue books.

Smart Library Card: The library provides a Library-cum-Identity Smart Card to users. This card, which contains a barcode, can be scanned at the library entrance using a barcode scanner for entry.

Digital Visitor Register: A computer connected to the SOUL 3.0 server is installed at the library gate to record visitors' details. Library staff can access past or current visitor data as needed.

Barcoding of Books: The library holds a collection of 18,274 books, with the barcode process for books nearing completion. This allows for easy issuance and return of books through barcode scanning.

c) Digital Library Facilities

The GCTE Library offers remote or digital access to the N-List e-resources, which are made available through servers at the INFLIBNET Centre. Authorized users from the college can access these e-resources and download required articles directly from publisher websites once authenticated.

N-List Components:

The N-List project consists of four main components:

1. Subscribing and providing access to selected e-ShodhSindhu e-resources for technical

institutions (IITs, IISc, IISERs, and NITs).

2. Subscribing and providing access to selected INDEST e-resources for selected universities.
3. Subscribing and providing access to selected e-resources for government and government-aided colleges.
